Summary

Hello, I'm Aman Tiwari, a dedicated and passionate Computer Science student at Lloyd Institute of Engineering and Technology. With a strong foundation in C and C++, I am on a journey to explore the vast realms of software development. In my academic pursuits, I have maintained a commendable CGPA, reflecting my commitment to excellence. Currently in my second year, I am sharpening my skills in Data Structures and Algorithms using C++, and I have successfully solved over 100 problems on LeetCode. My enthusiasm extends to the dynamic field of web development, where I am actively engaged in creating meaningful projects. I have crafted a personal portfolio showcasing my proficiency in HTML, CSS, and JavaScript. The journey doesn't stop here – I am excited about delving deeper into both frontend and backend development, fueled by my curiosity and eagerness to contribute meaningfully to the world of technology
